

The AIA has secured Headstrong Concussion Insurance beginning with the 2016-2017 school year.

The HeadStrong Concussion Insurance Program was specifically developed to insure student athletes from the high cost of concussion treatment and neurological follow up that may be required after a suspected concussion.

For \$1.50 per student athlete, the individual has 'first dollar' coverage (zero deductible) for concussion assessment and treatment.

Coverage is secondary/excess to any other valid and collectable insurance but will become the primary payor, if no other insurance is available.

Program Highlights Include:

- \$0 deductible and no Co-pays
- Telemed Services, when needed
- No restrictions on specific doctors
- No referrals needed for treatment
- No internal limits
- No specific procedure maximums
- Neurological follow up care – When medically necessary and billed at U&C.
