Surf's Up with School Breakfast

To encourage more families to take advantage of the healthy choices available with school breakfast, Tempe Union will celebrate National School Breakfast Week (NSBW) during March 4-8, 2024.

Busy weekday mornings make it a challenge for many families to find time for a healthy breakfast. Fortunately, Tempe Union High Schools offers nutritious school breakfasts, complete with fruit and low-fat or fat-free milk, to ensure students are fueled for learning every school day.

School breakfast provides a healthy and energizing start to the day for students. Studies show that students who eat school breakfast are more likely to:

- Reach higher levels of achievement in reading and math
- Score higher on standardized tests
- Have better concentration and memory
- Be more alert
- Maintain a healthy weight

A healthy breakfast at the start of the day is a great way to ensure students are nourished and ready to learn.
