

McCLINTOCK HIGH SCHOOL

“CHARGING FORWARD WITH PURPOSE, EXCELLENCE AND TRADITION”

January 14, 2022

Dear Charger Community,

Over the holidays, the Centers for Disease Control (CDC) updated portions of their guidance on both isolation and quarantine of those positive for, or exposed to, COVID-19.

Tempe Union will follow all updates and adapt contact tracing and other procedures accordingly. A flowchart is below for quick reference and the full details can be found [online here](#).

As you can imagine, we are receiving many calls and emails regarding students who may be COVID-19 positive and it's taking time to get through everyone. We are asking you to be patient as we work through the process of identifying and informing everyone. You can assist us by not sending your child to school if they are feeling sick and/or are waiting for COVID-19 test results.

The current practice is to provide class links to those students we quarantine. Students who are absent, due to sickness, including COVID-19, will not receive class links.

CDC Guideline:

If You Test Positive for COVID-19 (---> Isolate)

Everyone, regardless of vaccination status.

- Stay home for 5 days (from the date of positive test).
- If you have no symptoms or your symptoms are resolving after 5 days, you can leave your house.
- Continue to wear a mask around others for 5 additional days.
- *If you have symptoms or a fever, continue to stay home until your symptoms and/or fever resolves.*

In order to ensure the safety of your student, please send your student to campus with a face **mask** to wear indoors.

UPCOMING EVENTS

- **January 17 No School**
- **February 2 District Early Release 11:30am**

ALL parents: McClintock High School is a Title I school and we ask that you give us your feedback by completing this survey to assist us in continuing to provide support for student academic success.
