

The Lobo Letter

Greetings Lobos,

I can't believe it's been a year since we have all been on campus together. Fourth quarter begins in just a few days and it brings with new opportunities to learn new things and get caught up.

Due to the planning that must occur prior to students returning to In-Person Learning on March 15h, we are asking families to please make a learning environment selection.

Parent Survey February 2021 Encuesta a Padres Febrero 2021

In-Person Learning Model:

Students who select In-Person Learning will attend classes in-person 4 days a week starting March 15, 2021.

- Students must complete **a daily symptom check** prior to entering the school campus.
- Classroom are arranged to maximize physical distancing and all **health mitigation strategies** will be implemented.
- In-person instruction will utilize safe collaboration and varied student engagement strategies to make learning interactive and meaningful.
- Teachers will take daily attendance based on who is sitting in the classroom.
- Students must bring their district issued laptops to school daily.
- Parents must complete and return an **Acknowledgement Form** for the in-person model.

The Lobo Letter

Virtual Learning Model:

Students who select Virtual Learning will attend classes virtually 4 days a week starting March 15, 2021.

- Students will log in to the classroom link and have the opportunity to engage with instruction virtually with their cameras on.
- Students will be able to participate in the student/teacher discussion that occurs in the classroom.
- Teacher expectations for engagement will vary by teacher, thus students must attend class and communicate with their teachers to understand and meet the course expectations daily.
- All coursework will be available in Schoology for students to complete with teacher support as in previous quarters.
- Students can access teachers for support before and after school, 4th period PACK time, and on asynchronous Wednesdays.
- Teachers will take daily attendance based on who is attending (cameras on) in Google Meet/Zoom.

For all students, the district will continue Asynchronous Wednesdays at this time. Asynchronous instruction and support are provided by teachers.

- We will follow our Wednesday early release schedule. Students are dismissed at 2:53 pm.
- Early release is necessary for the teachers' content planning time.
- Students will complete a Google attendance form along with any assignments on these days. Students will have access to teacher instruction and support throughout the day.

The Lobo Letter

We remain confident that the qualities that make Compadre so special, from our personalized approach to learning and smaller class sizes place us in a positive position to continue our mission to develop successful learners through the fourth quarter. Be safe over Spring Break and we will see you on March 15th.

Go, Lobos!!!!
