

# TUHSD Tri-University Nights

## Open to all Tempe Union Juniors, Seniors, and Parents.

Arizona State University, Northern Arizona University and the University of Arizona are coming together to ensure you and your family are well informed about the opportunities and resources available to you. As your public universities, we are working together to ensure you find your best college fit. We are excited to invite you to the Tri-University Tour.

We have teamed up to host joint information sessions for prospective students and families to discuss: How to navigate the college admission process, scholarships and financial aid, and information about each university.
