

## Introduction

ParentVUE is an information portal powered by Synergy to provide parents with access to essential academic and classroom information (including classes in the Canvas Learning Management System) about their child as well as different types of communication from the school or district. ParentVUE is accessed through a secured portal on the web or through the ParentVUE app available for both Android and iPhone, and parents enter their username and password.

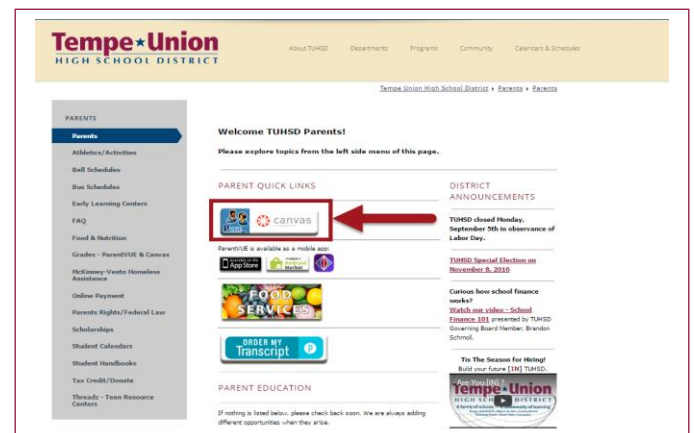

## ParentVUE Access

To access ParentVUE, a unique activation code is required. This code is obtained from the campus where your child is enrolled. Activation codes are often distributed at events such as book distribution, curriculum/parent night, but can also be obtained by contacting the school office. On the activation code form, a link is provided to the site, or parents can access the link through the Tempe Union High School District website by clicking on the **Parent Icon** on the District Home Page, any school's Home Page, or by clicking on this direct link: <https://az-tuhsd-psv.edupoint.com/>

### Step 1: Click on Parent icon on the TUHSD home page.

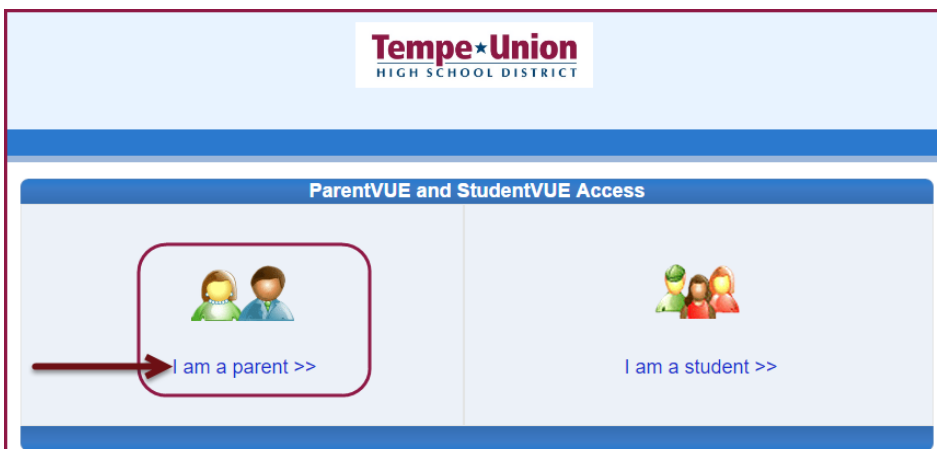

### Step 2: Click on the ParentVUE icon.

## Activating Your ParentVUE Account

Once you have accessed the ParentVUE website select, "I am a parent."

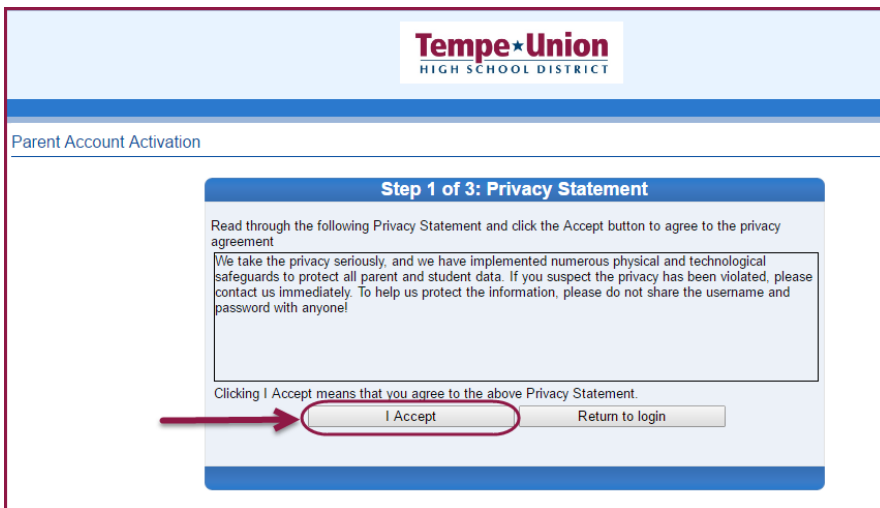

You will be prompted to login using a login and password or by using an activation code. If you are a first time user, you will access your account by using the activation code provided by your child's school. Click on the, "I have an activation key and need to create my account" link (as shown below).

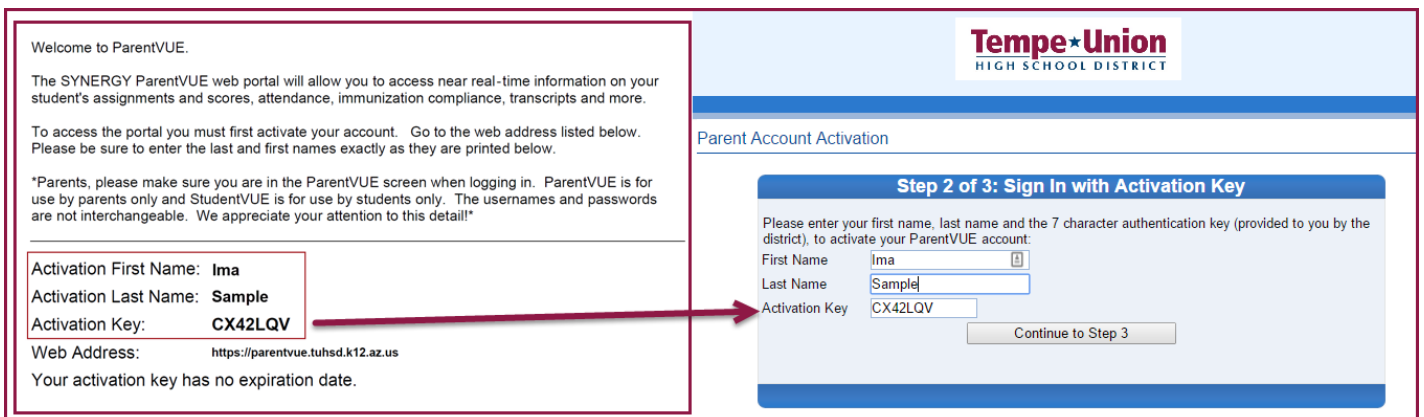

## The ParentVUE account activation process involves three steps:

**Step 1:** Accept the Privacy Statement.

**Step 2:** Input the information *exactly* as it appears on the activation code form provided by the school and click "Continue to Step 3."

**Step 3:** Create a unique username and password. You will be required to input your password twice to confirm it. Once this step is completed, you will have immediate access to your child’s account. Be sure to write your username and password down so you do not forget it!

Complete Account Activation

**Step 3 of 3: Choose user name and password**

Welcome Fernando Granado. To complete your account activation you will need to create your username and password. Remember that passwords are case sensitive. Your password can consist of numbers and letters and must be a minimum of 6 characters in length.

User Name

Confirm Password

Primary E-Mail

Complete Account Activation

Create a unique user name and password. You will be required to input your password and then confirm it. Finally, input your primary e-mail address and click the "Complete Account Activation" button.

Congratulations! You will now have immediate access to your child’s grades, class information, and communications from the school and district. Below is a sample ParentVUE dashboard. Some of the more widely used options on the ParentVUE menu include 1) Messages (from the teacher), 2) Attendance, 3) Class Schedule, 4) Grade Book, 5) Report Card, and 6) Canvas Login (to access your child’s courses in Canvas Learning Management System).

Once you are logged into ParentVUE, you also have access to Canvas Learning Management System. **Canvas for Parents is ONLY accessed through ParentVUE, there is not a dedicated Canvas login for parents.** In Canvas, parents have the ability to keep track of their child’s assignments and also have access to all of the course content. It is a great mechanism for parents to keep up with what students are learning in class!
