TUHSD PARKING POLICY

Student Automobile Use and Parking (Policy JLIE): The Superintendent shall establish procedures for registration, parking and use of motorized vehicles, and for searches for/seizures of illegal material contained therein. In the establishment of such procedures the Superintendent will be guided by the following:

- All students will register their vehicles
- Registration stickers must be displayed on all student vehicles. (Display on inside of driver's lower left front windshield)
- Vehicles may be towed away at student expense for failure to follow policy and procedures related to motorized vehicles

Automobile Searches:

The school retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles on school property. The interiors of student vehicles may be inspected whenever a school authority has reason to believe that illegal or unauthorized materials may be contained inside. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.

Seizure of Illegal Materials:

If a properly conducted search yields illegal or contraband materials, such findings shall be turned over to the proper legal authorities for ultimate disposition.

Providing parking for students at Corona del Sol is not a requirement, but a privilege.

Spaces are limited so please follow directions accordingly. Seniors have priority for parking spaces on a first come, first served basis. Any remaining spaces are then assigned to juniors on a first come, first served basis. The parking permit fee for the year is \$125.00. The cost pro rates by quarter. For second semester only, the price is \$62.50, however, 2nd semester passes may not be purchased until January 2024. There is a \$15.00 fee for alternate or duplicate vehicle stickers for any reason; this includes broken windshields, new cars or change of cars. Please go to the bookstore, pay the \$15 fee and bring the receipt to the Principal's Assistant. You must notify the office immediately or the new vehicle may be towed. Please remember to place the permit on lower left driver's side.

****All rules and regulations for CDS apply to the LDS church lot and to the carpool parking spaces. ****
