Mr. McDonald thanked Mary D'Errico for her work in organizing both PODs and board members Hodge, James and Montero for their participation.

**E. Public Comment**

Public comment was submitted via email and fax. Dr. Wilson read the following public comment into the record:

- Michelle Baker, MHS teacher, is sad that the yearbook class may be turned into a club at MHS and THS; said students and teachers need dedicated time during the day to work on this big and important project as students are too busy with tutoring, clubs, sports and jobs after school.
- Richard Reid, community member/MHS alumni, is a past yearbook Editor-in-Chief and found that having an allotted class period for yearbook was vital; said creating a yearbook from the ground up is a large undertaking; limiting it to after school hours could stifle students' ability to produce something great.
- Amy Beeman, CDS parent, said it is the district's legal right to deny the public the ability to attend board meetings in person; asked if the district is okay with banning parents, students and stakeholders from attending; said to open meetings now.
- Tonya Drew, MDN parent, said other districts allow people to attend board meetings and Tempe Union could do this by moving to an auditorium; said in person summer school only as an option for credit recovery is a direct result of the decision to close schools; summer school needs to be in person for all students who need it.
- Dawn Westing, CDS parent, said to immediately make Wednesdays an in school education day, offer in person summer school for all and not just to failing students, eliminate the requirement that teachers teach both modes at once, and open board meetings to the public.
- Jordan Wright, Success University student, has had seven teachers in seven years, said cutting special education teachers hurts students; he has been bullied in school and wasn't asked if he was okay; has not received the social emotional support his mother requested for him.
- Frankie Martinez, student, moved from Marcos to Compadre because he was distracted; said for the district to say students are excited to move makes him feel unheard.
- Danielle Pollett, MP parent, said relocating students from Compadre to Marcos interrupts the education of a vulnerable student population; asked how Tempe Union is allocating American Rescue Plan funding; what criteria will be used if certified teachers are let go; Tempe Union doesn't have enough certified SPED teachers to ensure each IEP and 504 student has a case manager expert in the field.
- Amanda Steele, parent and disability advocate, feels that vulnerable populations are being left out of the social/emotional conversation; hopes the discussion to make cuts to special education will be tabled until a new Director is on the budget committee; asked why the district is making budget cuts without knowing next year's enrollment, where can advertisements to attract new students be found, and what is TU doing to bring in new students.
- Amy Jamieson, DV parent, said deep cleaning isn't being done on Wednesdays and students need to be back in school that day; cheating is rampant and children need to be in school in person as it's unfair to students who are in school trying to do the right thing. Ms. Jamieson provided graphs, charts and links to various articles.
- Heidi Sauer, DV parent, said masks should be optional; kids are the least at risk for Covid; Wednesdays need to immediately be back in person as there is no justification in cutting 20% of kids' learning time; there has never been validity for closing school board meetings; it is critical the board hear directly from the community.

**F. Consent Agenda**

**Ms. Hodge moved approval of Consent Agenda Items F-1 through F-7. The motion was seconded by Mr. Barraza and passed 5-0 (Mr. Barraza: aye; Mr. Garcia: aye; Ms. Hodge: aye; Mrs. James: aye; Mr. Montero: aye).**
