**E. Report from Superintendent**

E-1—JROTC Program

Dr. Mendivil congratulated the JROTC program for receiving the Honor Unit with Distinction for the 2020-2021 school year. Tempe Union JROTC students are under the command of Major Robert Fore.

E-2—Student Recognition- Collin Bridge – Desert Vista Film & TV Student

Dr. Mendivil congratulated Desert Vista student Collin Bridge for being named a finalist in the Arizona Student Phoenix Film Festival. His film, *Walk*, will be screened at Harkins Scottsdale 1010 theaters on August. 14.

**F. Public Comment**

Public comment was submitted via email and fax. Dr. Wilson read the following public comment into the record:

- Dawn Westing, CDS parent, said to focus on all students and not just those at the bottom, offer summer school in person, end asynchronous Wednesdays, open board meetings to the public, and eliminate the requirement that teachers teach both in person and virtually.
- Amy Beeman, parent, said for the district to do what it says it does and put student academic and social/emotional needs first, believe people bring value to the organization, value our diverse cultures, and learn from the voice of the community; said to open meetings.
- Heather Walgren, DV parent, said students should have the option to not wear a mask and to be in school five days a week; next year will consider enrolling her son in a school closer to their home; survey people to see how many support optional masks and five days a week.
- Paul Strauss, parent, said to keep masks mandatory for the rest of the school year; the harm of asynchronous Wednesdays seems to outweigh the benefit; students can use every day of in person education they can get.
- Jennifer Clark, parent, said masks for students should be optional as mask wearing adversely affects children’s health; asynchronous Wednesdays need to end immediately—they are wasted days where teachers often don’t show up for virtual office hours; her son is rarely given school work on Wednesdays.
- Danielle Pollett, MTP parent, appreciates that meetings are still closed to the public while we’re in the Substantial category; reminded the community that public comments have a time limit and the board is prohibited by law from responding in real time; thanked the district for communicating about the mask requirement and for the email sent prior to the Derek Chauvin trial verdict; is looking forward to ways student social/emotional well-being will be made a priority by the ad hoc committee.
- Tonya Drew, MDN parent, is bothered an email went out about something the district should not have stepped into; said the board hasn’t heard the voices of at least half of its students or offered parents what they need for their children; summer plans don’t meet the needs of most students; said to open meetings, have students in school five days, and offer PE in person during summer school.
- Heidi Sauer, DV parent, proposed that students wear masks when on campus but be allowed to remove them while in class; doesn’t understand why asynchronous Wednesdays are continuing or why board meetings are still closed; said it’s critical the board hear directly from the community regarding decisions that affect their children.
- Amanda Steele, parent, thanked the district for following science and CDC guidelines and for serving the community; understands not everyone is happy with the decision requiring masks be worn; thanked Dr. Mendivil, the board, administration and faculty for their service and dedication.
- Andrea Depew, parent, asked the board to consider making masks optional for students, teachers and staff; doesn’t understand the need for masks as many people participate in off campus activities without masks; asked the board to consider returning to in-person class on Wednesdays.

**G. Consent Agenda**

**Mr. Garcia moved approval of Consent Agenda Items G-1 through G-10. The motion was seconded by Mrs. James and passed 5-0 (Mr. Barraza: aye; Mr. Garcia: aye; Ms. Hodge: aye; Mrs. James: aye; Mr. Montero: aye).**

I-1—2019-2020 Audit Reports

Mr. Carranza said that after management, a Board representative and a member of the audit firm review the Comprehensive Annual Financial Report, the Single Audit Report and the Compliance Questionnaire, the three audit reports are presented to the entire Board. He introduced Jill Shaw from Heinfeld & Meech, the district’s independent audit firm. Ms. Shaw said an audit takes several months to complete. The Comprehensive Annual Financial Report was issued an unmodified, or clean, opinion. Because auditors noted no significant deficiencies or weaknesses in the Single Audit Report, the district continues to qualify as a low-risk auditee. The USFR Compliance Questionnaire is a series of compliance-related procedures in several areas that auditors are required to look into to make sure the district follows statute. Only a few minor things were noted for improvement. Ms. Shaw said all audit reports met state and federal guidelines; she thanked management for its cooperation.

Mr. Garcia thanked Ms. Shaw, Ms. Williams, Mr. Carranza and Mrs. Meulemans for their work.

### K-1—Budget Update

Diane Meulemans presented an update on the Classroom Spending Report, the 2021 distance learning percentage, fiscal year 2021-22 M&O budget projections, possible budget cuts, the projected M&O budget available, fiscal year 2021-22 classroom site fund projections, and known budget commitments for next year. Some Governing Board questions:

- Mr. Barraza asked if we are looking at any material adjustments from now until July. *We are waiting for the legislature to finish its work to see if there will be any more impacts to the budget.*
- Mrs. James asked what the impact will be in reducing the number of special education teachers from the budget. *Mrs. Meulemans said special education staffing is aligned in accordance with Board policy. Dr. Mendivil said when special education students graduate we haven't also evaluated the number of teachers. The special education cuts are positions that are not currently filled.*
- Mr. Montero asked when we will have a better idea of next year's enrollment. *Mrs. Meulemans said the demographer projects enrollment will decline for the next several years; however, if online students return to brick and mortar classrooms in the fall, our ADM wouldn't decline as much as projected.*

Mr. Garcia thanked Mrs. Meulemans for the comprehensive approach to the budget. Board members thanked Mrs. Meulemans for the information.
