C-1—Superintendent's Second Semester Goal – FY 2020 – 2021

Dr. Mendivil presented *Superintendent Family/Parent Advisory Council*, his second semester goal for fiscal year 2020-2021. Some Governing Board questions/comments:

- Mr. Montero asked what topics might be addressed by the Council. *The focus will be to improve student outcomes, provide support for families, and communicate and reach out to families.*
- Mrs. James asked how Spanish speaking families will be involved. *The application will be available in Spanish. Applicants will be asked to share how they feel they can be helpful as advisor to the superintendent.*
- Mr. Barraza said Dr. Mendivil should create a mission statement which will allow the Council to create clear and concise goals; he would like two members of TSEA to part of the Council.
- Mr. Garcia said he knows Dr. Mendivil will be mindful to also include families who aren't as active or who haven't had as many opportunities to be engaged as other families.
- Ms. Hodge said parents want to have time with just the superintendent; parents have said they don't have the opportunity to meet with the superintendent without teachers or staff present.

Governing Board members thanked Dr. Mendivil for his presentation.

D. Reconvene

Welcome—Mr. Garcia welcomed everyone at 7:00 PM. Ms. Hodge said today Congress passed legislation to make Juneteenth a national holiday; President Biden is expected to sign the bill into law. Juneteenth celebrates the day in 1865 when African-Americans in Texas learned of the 1862 Emancipation Proclamation. Ms. Hodge thanked Mr. Garcia for giving her the opportunity to share this information.

Pledge of Allegiance/Moment of Silence—Mr. Montero led the Pledge of Allegiance. Mr. Garcia asked the audience for a moment of silence.

Land Acknowledgement—Mr. McDonald read a statement acknowledging Tempe Union’s presence on the ancestral lands of the Akimel O’odham (Pima) and Pee Posh (Maricopa) Indigenous peoples.

E. Report from Superintendent

E-1—Student Recognition – CDS AZTECH Robotics Team 6479

Corona is one of twenty robotics teams out of 883 teams to represent FIRST Robotics at the Global Innovation Awards ceremony. Mr. Heiser said this year females made up 35% of the team—the highest number the team has had in its five-year history. He said sponsor and Corona engineering teacher Brian Hawkins was instrumental in advising the team. Tishya Chhabra is Corona Robotics Team President and a Dean’s List finalist at the Global Innovation Awards. She said after the team met with district physical therapist Amanda Renfro they came up with the idea for “swish connect”—an auto adjusting basketball hoop to help special education students master motor skills. Board members thanked Mr. Heiser, Mr. Hawkins and the students for attending the meeting.

E-2—Summer Education Academy Graduation

Fifteen seniors will receive their diplomas at the Summer Education Academy graduation on June 30. An additional sixty-five seniors successfully completed their coursework this summer but will not participate in the ceremony because they were able to walk with their class in May.

F. Public Comment

The following individuals provided public comment:

- Steve Adams, TSEA, said he hoped the Board had a chance to read his June 1 email; the ADM stipend is unpopular with TSEA members; as part of its budget priorities TSEA asked for a stipend using ESSER monies with no strings attached; TSEA wants Tempe Union to mirror sister districts that are doing this, TSEA asked the Board reconsider the ADM requirements for the stipend and deliver the stipend sooner than a year from now in recognition of the hardship, stress and extra work its employees endured over the last year.
- Rodrigo Palacios, TSEA Vice President, said the past year has been hard for his profession and hoped leadership would understand the importance of thanking employees with a retention stipend; said not awarding the stipend until May or June of 2022 tells educators that what they did during the pandemic wasn’t enough; giving educators a stipend with conditions is no thank you.
- Amanda Steele said she was speaking on behalf of herself and two other parents; requested a future agenda item be a needs analysis on programs at each school for individuals with disabilities, what is currently available and what is needed to meet student needs to provide equity and opportunity for all students; said they want the information that is discussed and the Board’s findings and plan of action shared with them; she will send additional information to the Board via email.
- Sherri Ryan, community member, said she was serving the Board notice about mass testing for Covid and putting the Board on notice it is violating civil rights, parent rights and constitutional rights; if the Board doesn’t get back to them in seven days they will return with affidavits and then to arbitration; left twenty-three due notice documents for the Board.

G. Consent Agenda

Mr. Garcia moved approval of Consent Agenda Items G-1 through G-23. The motion was seconded by Ms. Hodge and passed 5-0 (Mr. Barraza: aye; Mr. Garcia: aye; Ms. Hodge: aye; Mrs. James: aye; Mr. Montero: aye).
