

Evening and Saturday Schools provide **all TUHSD students** the opportunity to enroll in courses beyond the school day to further their course of study and/or to recoup credits for on-time graduation status. All instruction is led in person by a teacher.

Evening classes will be in person twice a week (Tuesday & Thursday) for 2 hours and 30 minutes for the entire semester. Saturday classes will be one time a week for 5 hours and 15 minutes for the entire semester. Students can register for one class in Evening School and one class in Saturday school.

### **ATTENDANCE POLICY**

The Attendance Policy allows five (5) total absences for Evening School and two (2) total absences for Saturday School. Should a student incur an absence or a tardy beyond the allowed total, he/she may be in jeopardy of not receiving credit for any course work completed. A tardy will constitute one absence (15 minutes or more). If a student needs to leave prior to the end of class, the time will also be counted as an absence. All absences are required to be called in by a parent/guardian.
