

Mission Statement: *Excellence in Teaching and Learning*

Governing Board:

Berdetta Hodge, President • Brian Garcia, Vice-President
 Andres Barraza, Board Member • Michelle Helm, Board Member • Sandy Lowe, Board Member
 Established April 4, 1908 (Tempe Union High School)

Our Community: Nestled in the Greater Phoenix metropolitan area, the Tempe Union High School District (TUHSD) is located in Tempe, Arizona and serves approximately 14,000 students in six comprehensive high schools, one non-traditional high school. The District encompasses 162 square miles and serves the City of Tempe, the Town of Guadalupe, the Gila River Indian community, the Ahwatukee Foothills area of Phoenix and parts of Chandler.

Tempe is a center of culture, technology and tourism located in the heart of the Valley of the Sun. It is a diverse, innovative community of 165,000 residents, a workforce of 175,000 and a student base of approximately 200,000. Refreshingly offbeat, Tempe's a fun town that hosts family-friendly festivals, welcomes outdoor activities and is the proud home of Arizona State University.

Our Students: Our belief that every student can learn drives all we do and student success tells this story. We put students' academic and social/emotional needs at the forefront of everything we do. Our students consistently score well above state, District and national averages on standardized tests and college entrance exams. We celebrate the individuality of all of our students and strive to meet students' social and emotional needs, in addition to their academic goals.

Our Schools: Tempe Union's comprehensive high schools include Tempe High, McClintock, Marcos de Niza, Corona del Sol, Mountain Pointe, and Desert Vista. Compadre Academy is the District's "School of Choice" and offers personalized learning for students.

The Peggy Payne Academy for gifted students is located on the McClintock campus. The District's International Baccalaureate Program resides at Tempe High. The W.P. Carey Business Academy at Marcos de Niza helps students gain entrance into ASU's acclaimed business school. Career and Technical Education Programs provide students with real-world experience and certifications. Dual enrollment programs allow student to gain college credit while still in high school. Outside the classroom, we offer award-winning fine arts, extra-curricular, and athletic programs.

Accreditation: Every school meets stringent accreditation criteria from AdvancED.

Our Schools & Enrollment *

	100 th Day
Tempe High School (Est. 1908)	1,663

Our Employees: Every staff member of the Tempe Union High School District is a valued member of our team. We celebrate a diverse and highly competent workforce and believe in providing opportunities for staff to collaborate and continually improve their craft.

More than half of the District's approximately 1,300 employees are teachers. Our teachers are dedicated professionals: 61% have master's degrees or higher and 53% have 10 years or more teaching experience. All teachers are certified by the Arizona State Department of Education. Our employees have been recognized locally and nationally for their expertise and experience.
