

Show your Padre Pride and Support the Marcos de Niza Class of 2021

The class of 2021 has had a roller coaster of a year with so much uncertainty. Our seniors have been separated by this pandemic with some that attend school in-person and others virtual. They have worked diligently to earn their coveted Senior Status throughout this year and we would like to honor their commitment. We are trying to celebrate them as much as we can since they have missed out on the moments that many of us hold dear. In order to do that we need your help! Please support us in our efforts and purchase a sign or make a donation!

Purchase Padre 2021 Signs or Make a Donation All proceeds will be used to support the senior breakfast and purchase gift cards for senior drawing

These amazing kids have shown their padre grit by pressing forward with their education and accomplishing great things despite missing out on the majority of their senior year events. As a community of supporters we would like to express our belief in these tremendous kids and support them by decorating our community with "Padre 2021" lawn signs. All proceeds will be used to support the senior breakfast and purchase gift cards for the senior drawing taking place the morning of graduation practice on May 20, 2021. The 2021 MdN Grad Night Parent Committee sponsors this event and our hope is that our entire community will support our seniors by purchasing a sign or by simply making a donation.
