TUHS D PARKING POLICY

Student Automobile Use and Parking (Policy JLIE)

The Superintendent shall establish procedures for registration, parking, and use of motorized vehicles, and for searches for/seizures of illegal material contained therein. In the establishment of such procedures, Superintendent will be guided by the following:

- › All students will register their vehicles
- › Registration stickers must be displayed on all student vehicles (display on the inside of the driver's upper right front windshield)
- › Vehicles may be towed away at student expense for failure to follow policy and procedures related to motorized vehicles

Automobile Searches:

The school retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles on school property. The interiors of student vehicles may be inspected whenever a school authority has reason to believe that illegal or unauthorized materials may be contained inside. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.

Seizure of Illegal Materials:

If a properly conducted search yields illegal or contraband materials, such findings shall be turned over to the proper legal authorities for ultimate disposition.

Providing parking for students at Marcos de Niza is not a requirement, but a privilege. The parking permit fee for the year is \$60.00 and \$30.00 after the first semester. This must be paid by the date listed above. There is a \$30.00 fee for alternate or duplicate vehicle stickers for any reason; this includes broken windshields, new cars, or a change of cars.

Signatures from parent/guardian and student are required on the backside of the document.

- Students who transfer out of school during the first semester of the school year will receive a \$25.00 refund.
- Students who forfeit their parking privileges, or are withdrawn from school due to infractions of school rules, will not receive a refund.
- **NO refund will be given when applications have been falsified.**
- If you have not purchased a parking permit your vehicle may be towed at the vehicle owner's expense. This will be strictly monitored.
- Reserved parking hours are from 7:00 AM-3:00 PM

Loss of parking privileges may include but is not limited to the following: Reckless driving, transporting alcohol, illegal substances, or dangerous weapons, failure to drive courteously, failure to provide adequate seating for passengers, failure to respond to school authorities, leaving campus without official approval, or transporting students who are not permitted to leave campus. If you transport underclassmen off campus, you may forfeit your parking privileges.

Park at your own risk. Marcos de Niza High School/TempeUnion High School District is not responsible for vehicle damage, theft thereof, loss of property, or towing expenses. Permit issuance is final – no changes will be made.

By signing below, the student and parent/guardian agree to all rules and regulations set forth in this document. Parent/ Guardian signature also indicates the **vehicle information submitted online is correct and vehicles are insured** according to Arizona State Law (see below):

***Arizona requires that every motor vehicle operated on roadways be covered by one of the statutory forms of financial responsibility, more commonly called liability insurance, through a company that is authorized to do business in Arizona. This requirement also includes golf carts, motorcycles, and mopeds. ***

Minimum levels of financial responsibility are

- \$15,000 bodily injury liability for one person and \$30,000 for two or more people.
- \$10,000 property damage liability.
