

Ac Lab: Education/Career Planning in Guidance Lab E237

Corona guidance counselors welcome students to computer lab E237 during Ac Lab to further research and refine their career and college plans using AZCIS, Kudet, or other resources with the help of a counselor. Up to 30 students may sign up on a first come, first served basis.

YOUR FUTURE STARTS NOW

CORONA DEL SOL GUIDANCE DEPARTMENT OFFERS COLLEGE VISITS AND EDUCATION AND CAREER PLANNING IN ACADEMIC LAB

Corona students are invited to join counselors during Ac Lab to meet with visiting college representatives and/or expand their ECAPs, exploring high school classes, careers, majors, colleges, and scholarships in computer lab E-237.

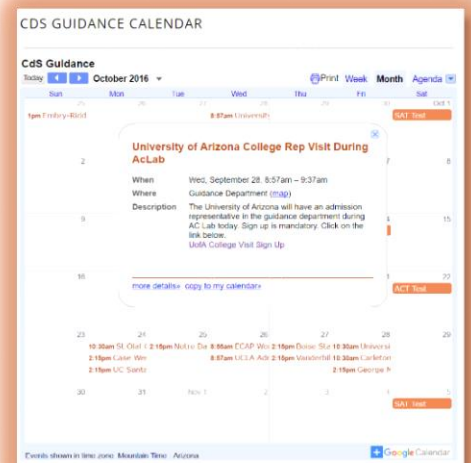

Unlike college visits during lunch or after school, which are on a walk-in basis, these Ac Lab activities require students to sign up in advance to be excused from their regular Ac Lab class.

Signing up is simple, but space is limited. Spots will fill up on a first come, first served basis.

Visit the Corona del Sol Guidance Calendar at <http://www.tempeunion.org/Page/2445> (or navigate from home page to **>Academics >Guidance >Guidance Calendar**) to see available dates and colleges. Click on the event to sign up to meet with the rep. or work on your education, career, and college planning in the computer lab.

Once finished signing up, your spot is reserved. On the date of that Ac Lab, your teacher should send you to your location. If not, please ask him or her to check the seating chart for you.

Guidance counselors look forward to working with you!
