

McCLINTOCK HIGH SCHOOL

“CHARGING FORWARD WITH TRADITION”

Dear 2016 Graduate and Parents:

Enclosed you will find important information about this year's graduation ceremony. It is important that both graduates and their families be familiar with the information contained within this mailing.

In the past, McClintock High School has enjoyed great success with its graduation ceremonies. An event of this magnitude requires a great deal of teamwork, cooperation, and patience. It is the responsibility of each graduate to ensure that this event is dignified and a ceremony of which we can be proud.

The ceremony is Thursday, May 19, at 7:00 p.m. on our campus at Jim Lyons Stadium. In the event of inclement weather, the ceremony would be moved into Boyle Auditorium and each graduate would be allowed two guests.

Please check the schedule of events leading up to the graduation ceremony. It is very important that each graduate attend the scheduled meetings and practices. Should a conflict arise, the graduate and his parents must contact my office as soon as possible. Failure to attend meetings and practices may result in the graduate being excluded from the graduation ceremony.

This event has always been well attended. It is recommended that those planning to attend arrive early. If you have any questions regarding this year's ceremony, please contact me at any time.

Sincerely,

Bill Hazell
