LATIN TAX CREDIT: BABBITT	With the Latin Club not existing next year, Mr. Babbitt the club sponsor and students have decided that they would like the funds to be evenly distributed to the other three Foreign Language clubs on campus. They ended up with a total of approximately \$2100 from tax credit and fundraising. The Site-Based council unanimously voted to approve that the funds may be divided among the three Foreign Language clubs currently on campus.	
EMBEDDED INTERVENTION PROGRAM	The faculty voted on whether to implement the he embedded intervention program next year. In order for the program to be approved, a 75% vote of all staff was needed. We had a 73% vote in favor of the program; therefore the program will not take place next year. A survey will go out to all staff regarding the pros and cons of the program. Our next step will be to bring back a new proposal considering data of the survey.	Email SBC the results of the survey.
