Tyrone Fong-Certified	Madelyn Kartchner-Soph.	Tracey Olsen-Parent	
Steve Gibbons-Parent	Micah Kriston-Certified	Dan Stone-Parent	

AGENDA ITEM	DISCUSSION	ACTION
AZMERIT TESTING	The Council discussed the testing in April and ways to encourage students to do their best. Ideas included providing breakfast on testing days and educating students of the purpose of the exam and how it benefits them. The Council concluded block scheduling would be beneficial and suggesting the testing be spread over two weeks rather than one.	Mr. Hoffland will contact Dr. Aleksic to learn whether testing dates may be changed.
COMMUNITY/PARENT INVOLVEMENT	Discussion included the question of what does involvement mean, and what are the different levels of involvement. Outreach to the middle school parents was suggested, as was providing a list of volunteer opportunities to parents as part of the summer mailer and to hand out during open house.	Mr. Hoffland will compile a list of opportunities with the help of staff.
STUDENT INVOLVEMENT	This item was not discussed.	
FACULTY PRESENTATION	Mr. Hoffland offered to share the mid-year school update with member of the Council.	Council members should contact Mr. Hoffland if interested.

NEXT MEETING: MARCH 17, 2015
